Group Visitors to Kidspace

Kidspace welcomes field trip visitors every day. Our Peak Capacity for group visitors is 600 guests. Their visit typically begins at 9:30 AM and most groups depart between 12:00 PM and 1:00 PM. While they are here, some groups may participate in a guided program in front of the museum, inside an exhibit, or in the Celebration Center.

The following information is provided as a reference only, and due to the nature of field trips it may change at any moment.
